APPOINTMENT OF GLOBAL BUSINESS DEVELOPMENT MANAGER

United Networks Limited, (United or Company) (ASX:UNL) is pleased to announce that Iain Pringle has been appointed as head of Global Business Development. Iain comes from being the Senior Manager of Retail, Travel partnerships at Virgin Atlantic and before this, Head of strategy at the Avios Group Limited.

With over 20 years of experience in consumer loyalty and partnerships with large airlines, Iain's experience is set to fast track the execution of our current pipeline and develop new travel and loyalty opportunities.

Iain's appointment further strengthens the existing management team and will be based out of the UK.

ABOUT UNITED NETWORKS LIMITED (ASX: UNL)

Established in 2009, United Networks (United) is a global connectivity and messaging platform provider providing telecommunications, data and value added location based services. With operations in Australia, Canada, New Zealand and Malaysia, United provides services in more than 190 countries. United "white labels" its global roaming and emergency alerts solutions to large B2C businesses such as insurers, airlines, banks and travel agents. In providing United solutions as add-on service to their own customers, United's corporate customers are able to develop other revenue opportunities, assisted by the location based service, made possible from the underlying United Network and real time messaging platform.
