United Networks becomes an Authorised representative of Chubb for its new Insuretech product

United Networks is pleased to announce that its 100% wholly owned subsidiary United Lifestyle Group Networks Pty Ltd has become an Authorised Representative of Chubb Insurance Australia allowing it to promote and market approved Insurance products for Chubb.

Commenting on the approval, United Networks Chairman, Anthony Ghattas said, “Our first transactional Insuretech product to be promoted through the Chubb network will be launched in August. A separate release will be made when the new Insuretech product is launched.
