United Networks launches Insuretech product offer with AIG Asia Pacific Insurance Pte. Ltd.

Supply of Global Wi-Fi Connectivity and Value-Add Insuretech Solution

The Chairman of United Networks Limited, Mr Anthony Ghattas, announced today the launch of its Insuretech product offer with AIG Asia Pacific Insurance Pte. Ltd. (AIG Singapore). The offer will provide global Wi-Fi connectivity and an app-based Insuretech SOS emergency platform product as a value-add service to AIG Singapore's travel insurance customers.

The offer will provide each new eligible AIG Singapore travel policyholder with unlimited Wi-Fi through 63+ million global hotspots for the term of their travel insurance policy. These services are to be provided under the United Networks branded solution. Each policyholder will have the ability to purchase additional subscriptions to extend the services ongoing. Mr Ghattas said, "We are pleased to be working with AIG Singapore's customers to offer both connectivity to the United network as well as our proprietary value-add Insuretech SOS solutions.

Eligible AIG Singapore travel insurance customers will enjoy these benefits through the United Networks app:

- Unlimited global data downloads when connected through the app
- Premium SOS emergency access keeping customers informed and updated on significant events which may affect safety and disrupt travel
- Single-sign-in feature – one account for access to 63+ million global hotspots

ABOUT UNITED NETWORKS LIMITED

United Networks was established in 2009 by Nick and Anthony Ghattas. The company listed on the ASX in January 2017.

United Networks is a B2B business. It derives the majority of revenue from "white labelling" its global Trust platform connectivity and Insuretech platform services for large B2C businesses such as insurers, airlines, banks and travel agents.

United Networks Trust platform is a customer engagement ecosystem which enables enterprise partners to connect and engage with their end users through a variety of Insuretech products and services. The Trust platform incorporates real time tracking, multiple connectivity and valued added products across an integrated messaging platform.

The Trust platform Insuretech products and services include:

- Global SIM that connects to 190 Countries
- App Based WiFi access to 63 million locations
- App Based Global Alerts
- Duty of Care and SOS emergency platform
- Live real time messaging

AIG

American International Group, Inc. (AIG) is a leading global insurance organization. Founded in 1919, today AIG member companies provide a wide range of property casualty insurance, life insurance, retirement products, and other financial services to customers in more than 80 countries and jurisdictions. These diverse offerings include products and services that help businesses and individuals protect their assets, manage risks and provide for retirement security. AIG common stock is listed on the New York Stock Exchange and the Tokyo Stock Exchange.
